

Steve's Auto Repair is a certified TECH-NET center.

There's no greater peace of mind than knowing you have one less thing to worry about, especially when it comes to your vehicle. By having your vehicle serviced by the pros at your local TECH-NET Professional Auto Service® center, you receive one of the best warranties available as an added benefit.

The TECH-NET Nationwide Warranty provided at Steve's Auto Repair is a written warranty that is honored at thousands of locations nationwide. This means, no matter where you travel in the United States – if you ever experience a problem with a covered repair, you can take your vehicle to a TECH-NET Professional Auto Service center nearby.
